

HORSE GUARD

Complementary Feed for Horses

1. Contents:

Dry matter:	94.00 %
Crude protein:	32.10 %
Crude fat:	16.60 %
Crude fiber:	8.20 %
Crude ash:	8.00 %
Calcium (Ca):	0.20 %
Phosphorous (P):	0.50 %
Magnesium (Mg):	0.40 %
Sodium (Na):	0.02 %
Lysine:	2.00 %
Methionine:	0.60 %

Additives:

Iron (amino acid iron chelate, hydrate, E1):	1'100 mg/kg
Iodine (calcium iodate, anhydrous, E2):	7'440 mcg/kg
Cobalt (cobaltous sulphate, heptahydrate, E3):	4 mg/kg
Copper (amino acid copper chelate, hydrate, E4):	350 mg/kg
Zinc (amino acid zinc chelate, hydrate, E6):	975 mg/kg
Selenium (sodium selenite, E8):	36 mg/kg
Biotin:	40 mg/kg
Folic acid:	38 mg/kg
Vitamin E:	600 U.I./kg
Silicid acid (E551a):	29'000 mg/kg
BHT (E321):	400 mg/kg

2. Ingredients:

HOKOLYSAT

Peptides, Essential Fatty Acids, Antioxydants

Performance

**HOMEXAN-STIMUL
CONCENTRATE (HSC)**
Yeast Extracts

**Immunity Stimulation
Prevention of Digestion Disorders
and Sickness**

AMINOACID CHELATES

High Bioavailability

3. Country of origin:

Switzerland

4. Manufacturer:

HOFMANN NUTRITION AG
CH-4922 Bützberg

5. Packing units:

Jars of 5 kg, bags of 25 kg

6. Indication:

Improvement of general health, condition and steadiness. Better resistance to stress. Improvement of fertility and nursing performance.

7. Dosage:

Mixed into the feed

Adult horse (per day)

100 g

Foal (per day)

25 - 50 g
